Propaganda, which undoubtedly originates from the Chinese Communist New Asia News Agency, is being circulated with the by-line "From Your Friend" to Siamese language newspapers in Bangkok. Of significance is the fact that the only paper which has used this material in any volume is the Nakorn Sarn, Piibul's stoutest supporter. This material emphasizes the line "against the Imperialists" and appears to be part of a concentrated anti-foreign campaign. The Mahachon, which is back in publication, also stresses the same line.

Comment. Present information is far from conclusive, but this report is further indication that Premier Phibul is preparing the way for a compromise with Communists in Asia should the problem confront him.
